This End-User License Agreement ("EULA") is a legal agreement between "Licensee", "you", "your" and Nations Consulting Inc. ("Licensor"). The SOFTWARE PRODUCT (Software) includes computer software, and may include associated media and "online" or electronic documentation. The SOFTWARE also includes any fixes, releases, upgrades, new versions or enhancements that may subsequently be issued to you, as well as any related installation services, customization services, technical support services, or other add-ons that may be provided to you in the future. By downloading and installing the SOFTWARE you agree to be bound by the terms of this EULA.

1. SOFTWARE LICENSE

The SOFTWARE is protected by United States copyright laws and international copyright treaties, trademark laws, and other intellectual property laws and treaties. Licensor has distribution and licensing rights to the SOFTWARE. The SOFTWARE is licensed, not sold. (a) Software Installation and Use.

Licensor hereby grants you a single user, non-exclusive, non-transferable license to use the SOFTWARE in accordance with the terms and conditions of this EULA. Any rights not expressly granted are reserved. This license authorizes you to install and use a single copy of the SOFTWARE on one computer.

(b) Back-up Copy.

You may make a single back-up copy of the SOFTWARE. You may use the back-up copy solely for archival purposes. You may not otherwise make copies of the SOFTWARE.

Nations Consulting Inc. may withhold such consent in their sole discretion. A transfer of this EULA will terminate any right to your continued possession or use

of the SOFTWARE and you must promptly destroy all remaining copies of the SOFTWARE in your possession or under your control. No transfer shall be allowed unless the recipient agrees to the terms of this EULA.

Each party shall have the right to use any and all means necessary to enforce its rights if the other party is in material breach of this Agreement, and that termination will not entitle you to a refund of the purchase price or any other amounts paid under any circumstances whatsoever. All

information or data of Licensee, in whatever media and whether or not labeled “confidential” or “proprietary” shall be considered confidential and proprietary to both parties. Each party acknowledges and agrees that this section shall in no way infringe upon the rights of each party to pursue other legal remedies against a breaching party or to collect other damages for additional causes of action, including but not limited to libel, defamation, tortious interference with business, fraud, theft, trademark infringement, or other legal causes of action, and that this section shall be applicable and enforceable regardless of whether either party pursues any other such legal remedies, and regardless of the outcome of any such actions.
